Dear Mr. Geary:

Please excuse my tardiness in not answering your letter, but, your letter has floated around the office for various people to read, and was just returned to me.

We are very happy to hear that you listened to our station Friday night, April the 22nd. We are particularly happy to hear that you received the signal with no outside antenna. Your log is accurate, and this note will verify the fact that we were broadcasting the exact schedule as you have it on that date.

Sincerely yours,

WGAL, RADIO
